

3 January 1979

NOTE FOR: Chairman, DCI Security Committee

FROM:

[REDACTED]
Chief, Community Security Group

1. FYI attached is a copy of a 20 December 1978 memorandum to the DCI and DDCI from [REDACTED] It identifies action officer tasked with responsibilities for the Work Program on revising our compartmentation program. Originally there were 14 tasks. This list shows 10. Four are dependent on the outcome of others and are being held in abeyance. It is interesting to note that of the ten actions Security Committee reps or CIA Security officers have 6 of them.

2. [REDACTED] has agreed to address concerned Security officers on Thursday 4 January following your staff meeting. I have invited our action officers to attend as well as members of the CSG.
